

WELCOME LETTER

Welcome to Lori Odendahl-Klemish LMHC Counseling.

I appreciate you taking a moment out to read this. I wanted to thank-you for choosing me to provide for your counseling needs and goals. I appreciate and acknowledge the courage it takes to want to make a change, and I am delighted, honored, and privileged to be working with you through this journey.

I see my clients as people with challenges that need a place to tell their story in an environment in which they feel safe. I appreciate that they reach out for the guidance and support they need. I welcome the opportunity to be that support for you.

Often clients want to share with others about their progress and success. You will have the most success by completing the goals you came to achieve. I welcome you to share your progress with others. Please know that should you choose to refer a potential client to work with me that both of your information is confidential and protected under HIPAA guidelines. Lori Odendahl-Klemish LMHC Counseling does not share information with others without your consent.

I very much welcome and appreciate new clients into my practice, so I can also help them achieve the goals that matter to them most. I look forward to getting started with you at your first appointment. Should you have any questions prior to our appointment please feel free to give me a call.

Thank-you,

Lori Odendahl-Klemish, MS, LMHC CCATP CCTHP
